Come and get your treats! Your scout elf decided to set up an authentic North Pole Petite Treat stand in your home, featuring sweet snacks from Mrs. Claus herself! Using the materials above your elf will:

1. Print the graphic on the next page on cardstock and cut it out.
2. Make a slit on each side of the stand along the solid lines.
3. Fold along each dotted line, starting with the top flap.
4. Fold the sides of the top flap inward.
5. Fold the sides of the front of the stand inward and tape them to the top flap's folded sides.
6. Use wooden craft sticks to make the stand sturdier, if needed.
7. Pipe icing into mini cupcake liners and put sprinkles on top.
8. Climb behind the stand to serve up scrumptious sweets!
